

Best Practice 01

College Helmet Campaign

Title of the practice

“College Helmet Campaign “

Objective

1. To create awareness about helmet wearing.
2. To understand safety of head and brain during the accident.

The Context:

In College Campus College organized college Helmet Campaign for student every year. Safety helmets (also known as hard hats) can prevent or minimize injuries to the head and brain protecting against falling objects or debris, impact with other objects, electric shock and rain.

“Symbolic Helmet Day “On May 24

In an effort to promote helmet usage and increase road safety awareness, various district will be celebrating “Symbolic Helmet Day” on May 24. The Initiative encourages government officers and employees who already regularly wear helmets, to public awareness about the importance of helmet use.

“International Helmet Awareness Day 25 Jan.2023 “

The aim of the international helmet Awareness Day is to educate as many equestrians as possible about helmet and safety.

PRINCIPAL

**Kalmnour Arts, Commerce Science College
Tq. Khulabed, Dist. Aurangabad**

The practice:

We have selected one acre of barren land adjacent to the college campus. First we built fencing wall for protection and clean the area then under the guidance of principal, our college students dug 80 pits for tree plantation at certain distance of suitable size. We brought humus soil and manure from outside. The pits dug by students were filled by this humus soil and manure. For plantation we brought sapling of trees of Neem, Pipal, Banyan, Gulmohar, Amla etc. from Social Forest Nursery- Pankheda. Tree plantation programme was organized on in presence of College Management Council, Principal, Staff and students. For protection and care taker **Mr. Warpe Santosh** was appointed by principal.

During the last five years college has planted different varieties of plants species at different intervals in the campus with the help of staff and students NSS. Present green campus is the outcome of our sincere efforts under the guidance of Principal

All staff members create environment awareness among the students in the campus to propagate green campaign successfully.

Evidences of success:

All the sapling trees were grown and survived successfully and attended average height of 6 feet's. The entire land of this area is covered by herbs, shrubs and bushes. Increased biodiversity was observed. Our students are taking efforts for survival of plants mostly **Mr. Warpe Santosh** Is care taking more efforts by regular watering the plants and regular care vigilance of plants.

The green campus developed by college /Institute helps not only to save environment but also add beauty of campus, besides providing shade to our students and also used for scientific studies. College campus is enriched with varieties plant species.

Principal, Staff and students. For protection and care taker was appointed by principal.
