The vishakha Committee Solved the above problem

A father of a girl student approached a teacher on 16/03/2022 enquired about her daughter. The teacher told him that he had not called the girl regarding the project. The teacher informed the vishakha committee about the incident. The committee about the incident. The committee searched the girl student and found her on a mororcycle with a boy. The committee members took her with them and called her father. They counseled he. The girl and her father assured the committee that such incident will not taken place in the future.
